Mare Breeder does hereby agree to have the mare bred to **CBMF Crown Prince** for the **2022** breeding season under the following terms and conditions:

1. The breeding fee shall be **\$1700** and is divided into two parts that shall be paid by the Breeder to the Owner/Agent of CBMF Crown Prince as follows:
 - a. **\$200 Booking Fee** Payable to **Julia E. Hoag, DVM**, due at the time of booking and execution of this contract. This Booking Fee is *non-refundable*. Should re-booking be required beyond 12 months, an additional \$200 Booking Fee will be charged,
 - b. **\$1500 Breeding Fee** Payable to **Julia E. Hoag, DVM**, due to be paid prior to the first semen shipment,
 - c. **Discounts** may be offered for multiple contracts at Dr. Hoag's discretion.
2. Collection and preparation fees will be invoiced directly from Dr Rachel Kane, DVM of Entropy Farm in Woodstock IL who sets her own fees,
3. Shipping charges **must** be paid directly to FedEx or the delivery service of choice **by the mare owner** who is also responsible for follow-up on any late deliveries. Repeated collection due to late deliveries will be scheduled based on the stallion's availability and may not be immediate.
4. This contract is for the mare named above **ONLY**. All parties agree that semen shipped under this contract provides for the registration of **ONE** foal. If this shipment results in the birth of two foals, an additional stud fee will be due within 30 days of foaling,
5. The mare owner shall assume all responsibility for the condition of the mare and all risk of loss or damage to the mare whether death, disease, injury, infection or otherwise and by any cause whatsoever and therefore agrees to hold the stallion manager and/or owner (or any person employed by or associated with the stallion manager and/or owner) harmless for any and all damages associated therewith,

6. The contract allows for up to **three** breeding doses to be shipped as needed within the same breeding season. If a live foal is not produced within this breeding season, Breeder may re-contract at the already paid breeding fee for **2022** ONLY, with the aforementioned collection and shipping fees. Requests for re-booking for **2023** must be done within the **2022** calendar year – failure to do so will result in loss of all fees paid.
7. All breeding privileges that are the result of futurity auctions will be subject to the same requirements outlined in items 2-7.

This contract cannot be assigned or transferred by Breeder without written consent of Owner/Agent.

The terms of this contract as stated above are completely acceptable to the following:
